## BRANDI & BROOKLYN

When my roommate Brandi invited me to join her and her boyfriend for a threesome, I couldn't say yes fast enough. I've had the biggest crush on her from the very first moment I moved in. In reality, I only agreed to it because her tongue's pierced and I'm curious to know what it would feel like on my pussy.

Once when Patrick and I were at this hotel bar in Las Vegas, the bartender recognized me and pulled out a magazine with my face on the cover. When Patrick got a look at my hot pix inside, I felt his dick get so hard as we sat on the bar stools. Then he grabbed my hand and pulled me back to the hotel room where we fucked for four hours straight. Gotta love Vegas, baby.

## On Set for My Podcast

Selene is a beautiful fifth-year student living in Coral Gables who has everything going for her, except love. Sad because of a recent breakup with her longtime boyfriend, Selene is a little weary of dating again and shuns the advances of most men who show an interest in her. All the changes though when David, a handsome musician moves in next door. Soon Selene finds herself slowly falling for David despite all her efforts to avoid falling in love again with the wrong guy, setting herself up for more heartache. What Selene soon discovers so is that when it comes to love, sometimes you just can't help who you fall in love with.

I've been driving for four hours from the heart of Gainesville into the nightmarish Miami traffic. Thankfully today it wasn't as bad as I've seen it. I finally found the address I was texted by the director Victor. I had left at five in the morning not knowing what traffic would be like to make a nine am call time – for me. I found the street and there was already a hum of activity... cameras and lights laid out all along the location's long driveway.

The crew was milling about making sure everything is set just right. Brandie and Rose are running through the sprinklers on the side yard getting warmed up for their brief fantasy sequence scene. The two laugh and

play with one another in the water, their nipples getting harder with each cold splash of water that hits their nubile bodies.

As I parked my car, I can't tear my eyes from the two women frolicking in the water, which makes it difficult to park straight. Getting out and gathering my notepad, Victor, emerges from the house and greets me, "How you liking my little neighborhood so far?" I smiled, "I wish neighborhoods were really like this..." I looked

towards Brandie and Rose who are now rolling around on the slip and slide and add, "...with beautiful women running through sprinklers, frolicking around on their lawns."

Victor laughs, "Well, today you can have that little piece of fantasy." I nodded in agreement as Victor and I walked towards Brandie in the morning coolness and she greets me with a nice hearty hug as I get an introduction to her. The two almost naked girls begin to shiver and Victor asked if they were ready to get their scene started. They both answer passionately and in unison with a big "Yes!"

Brandie and Rose are college roomies who are staying at Selene's house for the summer. The scene that follows is a fantasy sequence set up scene. Even though the

actual scene in the movie will be cut down to a couple minutes, I couldn't resist talking about it here because the scene was just too hot not to share with my viewers.

I guess I should tell you that I'm about 22 and podcast for alternative media outlets around Florida. They (whoever they are) say that my audience reaches about one million ears each week. Even to me, those are big numbers but I do try to keep it interesting for them. Today, I'm here because Victor invited me to the shoot because he wants recognition by my audience.

This is his third movie and thinks it's a good one. For me, it's my second porn shoot, but I haven't done one in

doesn't take long before her finger-fucking action causes Rose to cum with such a force that her moans of ecstasy echo throughout the sleepy suburban neighborhoods.

Once she recovers, Rose kisses Brandie, an obvious 'thank you' for such a great orgasm. Rose returns the favor wholeheartedly, diving in between Brandie's legs without hesitation. Rose takes on a different approach to pussy licking using the old tongue flicker and tease technique, which drives Brandie wild. Alternating darting her tongue in and out of Brandie's pussy and quick licks her clit. Rose slips a couple fingers into Brandie's kitty this time causing her to go over the deep end with pleasure. It's only a matter of a few more minutes before exotica is moaning and grinding her hips into Rose's face with the power of her orgasm.

Rose smiles wickedly after the cameras stop rolling. I have heard of the tongue's prowess and ask Victor if I can ask her about it. He motions her over and whispers in her ear. She grabs a towel to dry off and comes over and sits in Victor's chair as he goes in the house to set up the next scene. "Rose, I hear you have a mighty talented tongue."

She laughs and rolls it around her lips and in and out of her mouth before saying anything. "So I've been

told. I like licking pussy and have done enough of it that I know what it takes to get a girl off. You know that they're gonna love it, too." she says. We talk for a few more minutes about her talented tongue before a P.A. comes out and says he has to take our chairs into the house as they're pretty close to shooting the next scene.

I walk into the house with Rose. She goes her way and I find the kitchen where the next scene is to be shot. Sitting in the breakfast nook is Selene in the makeup chair. Her male co-star, Ram (yes, Ram, but his real first name is David) is leaning on the counter sipping a soda, listening to Victor as he positions the lights and the three video cameras. A few other crew members are chatting away creating a low inaudible buzz in the smallish kitchen area.

over two years, so I was game for it. Okay back to what you really want to hear about...

Victor turns to the crew behind him and announces, "Well guys, you heard the ladies, let's get rolling." Moments later, cameras are positioned and focused on the two girls playing on their sexy yet playful wrestling under the sprinkler. This playfulness quickly leads to an all-out hot and nasty sex romp. Brandie wastes no time diving into Rose's wet pussy. Teasing her clit with her tongue as she jams four fingers into Rose as she squirms and wiggles in the mist. Rose doesn't hold her squeals of pleasure as Brandie works her muff.

Rose flips her legs over her head and Brandie takes the queue, slipping her fingers deeper inside Rose's kitty, working her fingers in and out in a piledriver fashion. It

Then Victor announces, "Okay everyone, I think we're ready. Let's do it." Selene takes her position outside the kitchen and on queue enters the room wearing black bustier with red ribbon ties and matching thong panty. She looked so hot pouring herself a cup of coffee as Ram knocks on the back door. She walks over, opens it and they talk for a second. There's obvious flirting going on and he comes in as she pours him a cup of coffee also. They talk and laugh through an animated session that will get quick cuts to establish the premise of the scene. Which is Selene starting to have feelings for her neighbor.

eyes and they begin to grope each other, consumed with lust as Ram takes Selene into his arms and begins to kiss her passionately. They stumble onto the overstuffed sofa frantically kissing one another and tearing each other's clothes off. The sexual tension between these two is apparently quite genuine as they get heated up for what follows.

Selene, now totally naked, initially becomes the aggressor and drops to her knees to give Ram's cock a loving going over and some manual stimulation. Then she gobbles up his member hungrily as it is obvious that

she really enjoys the taste of his cock. With his cock now up and ready for action, he picks Selene up and gently pushes her down on the sofa and opens her legs so he can return some oral loving to her.

He teases and licks Selene's pussy until it is wet and ready for the taking. Then he backs off and Selene climbs on the sofa and on her knees so Ram can enter her doggy-style. She squeals in pleasure with each thrust of his cock. The sound of sex echoes throughout the house as their sexual encounter becomes increasingly heated. Victor nods

behind the monitor in approval.

Selene now flips onto her back and Ram pulls her legs up and she wraps her ankles around his neck. The cameraman closes in for a tight shot of Ram's cock entering her and the two proceed to continue with their zealous lovemaking. Only stopping their scene once, Victor calls for a small change of lighting, and then they are back at it. Ram ends the scene with the obligatory pop shot on her stomach. Victor is pleased with the scene. Selene and Ram give one another a warm hug before parting ways and heading home.

Another day done and this reporter now has another long drive back. Fortunately, the memories of this day will stick with him for the ride, and for many a day afterwards.

Victor yells cut after about fifteen minutes saying they got the shot. Now it's off to the living room. Everything is already in position so they are ready to jump right into it. "Everyone settle." barks out Victor.

The doorbell rings and it's Selene's ex showing up, asking to get her back. Selene is shocked that her boyfriend has shown up at the set. Ram doesn't want any part of this so he heads back into the kitchen. After the ex raises his voice to her again, it reminds her why they split and so she realizes that it is Ram that she is now in love with.

Selene goes back into the kitchen, finds Ram and coaxes him back into the living room where she confesses her love for him. It takes a moment for him to respond but when he does there is a long pause. He stares into her

# EMILY WILLIS

My mouth is watering, and it's not because of the hot dogs and great picnic lunch Emily has prepared for us. It's her natural beauty that's the real turn on. I barely got a mouthful of potato salad in when she starts pulling off her clothes. Then she teases me even more with slices of watermelon all juicy, wet and sweet.

## MOUTHS AND PUSSIES AND COCKS, OH MY!

### HER JUICY DEPTHS

It was only our third date, but it had been more than a month in coming. Kendall and I were heading to a small Sicilian restaurant that boasted ‘Mama’s Home Cooking.’ I sure hoped the meal would show my good taste in fine food. I had been there a couple times before and it did not disappoint. I especially liked the large semi-circular, over-stuffed booths around the perimeter of the main dining room. And with the long tablecloths, no one could see what was happening below table level. Nor did anyone really care.

We were seated in a corner booth and ordered a couple glasses of wine to start along with the antipasto. Our conversation easily flowed for a couple hours, just like the drinks. Feeling wonderfully tipsy and lusty, Kendall started to go a bit further than just rubbing my leg. She went for the zipper, found it, and zzzzzp – pulled it down in one swift move.

“No underwear?” she whispered in my ear. “Not tonight, honey.” I replied. “That’s funny, not me ei-

ther.” she said as she found my cock and pulled it out from its confines. She squeezed it and it became even harder, especially when she used her fingernails across the turgid head. That singular sensation almost made me cum right then and there, but she squeezed hard and stopped me, and I’m glad she did.

Taking my hand off the wine glass, she guided it under the table to her wet pussy. With no undies, she tells me to be quick because if she gets too wet, she’ll stain her dress and embarrass us on the way out. I say I don’t care and we laugh. My fingers deftly find her snatch and feel no pubic hair.

“You’re bald?” I ask as I squeeze the soft flesh around her mound. “Not really,” she says, “I have a little landing strip.” Then whispers, “Just for you.” Well, that was enough to get two fingers pushed into her pussy. She gave out a little moan at the table just as the waiter was passing. “Yes, miss? Would you like something?” the waiter asks. “No, thank you, I’m already getting it.” We both giggle and the waiter smiles and moves on.

Dinner’s over and we decide to head home. I pull into her driveway about midnight and Kendall invites me in and takes me by the hand straight up to her bedroom. Inside, Kendall lets her long dress drop from her shoulders and fall onto the floor. She was wearing nothing underneath. Her blonde hair perfectly framed her face and her breasts are bigger than most and, as I will soon find out, quite firm. Her hips are round and butt’s firm, and yes, she has a landing strip.

Kendall didn’t say a word as she fell back on the bed, propping herself on her elbows and looking at me as I took it all in. She rolls over onto her belly and motions me to join her. In no time flat, I’m naked and sitting on the bed beside her. I then kiss the back of her neck, dragging my fingers down along her back. I watch her back muscles flex and skin get goose bumps.

Kendall rolls on her side and positions her head in my lap, instantly sucking on my cock. I fall back on the bed to give her better access to my cock and balls. I slip my hands around her boobs and my fingers

find her nipples and I squeeze them hard. She yelps and in return gently bites my cock, baring her teeth for me to see. I squeeze them again and she gulps the whole thing down and gives my scrotum a twist, that I find painfully pleasurable.

Her lust was quickly becoming far too much for her to endure. I slide my hand up her legs and find her swollen clit, massaging with my fingertip over her quivering bud. I plunged my fingers into the juicy depths of her pussy and finger fucked her while she sucked me.

Soaked by her pussy juices, my fingers begin exploring her perfect butt hole. In the dim light I can see her brown star quivering with anticipation, and I do not deny it. Gently circling it, I plunge a finger in knuckle deep. She moves her butt to help push it in deeper.

I felt Kendall's butt cheeks quiver as she felt her booty hole penetrated. But the penetration she desperately wanted would take a little time. She dipped her own fingers into her wet pussy and slickened her ass as well. She switched her position to spoon me so my cock could enter her ass more easily. She pushed onto my cock with only a slight wince of pain

from the initial entry into her small hole. I pushed forward, into her anus. I reach around her and massage her breasts, pulling her tighter into me as I slowly but firmly push all the way in.

We remained on our sides, relaxing for the moment in the pleasure of one another's bodies and basking in the tingle that rippled over our skins; me with my cock imbedded in the warmth of her body, her ass filled to the hilt with my perfect cock. My final thrust spurts my love juice deep into her ass and fills her with the hot delight of my cum.

## MY FIRST TAT

I'm an impetuous 19-year-old looking to sew her wild oats. I'm in it for the thrill, looking to try new experiences all the time. I'm experimenting with lots of things, most of them of a sexual nature. I'm a cutie, with additions of: smart, funny, seductive. I'm the whole package, so why not get into the game? While I won't go into all of my sex adventures here, let's just say that as I learn about something, I attempt to live

the experience.

One thing I'm not into, or at least I don't think I'd be into, is pain. If it hurts, count me out. So when my friend Adele, dared me to get a tattoo, I was kind of leery. I really like the way skin art looks for a couple of my girls who have had tats. But they told me the process was painful. Still, a dares a dare, plus a girl wants to look her hottest. Most guys I know have a thing for chicks with tats, so it's time I joined the club.

I scheduled my appointment for Thursday morning. I didn't have classes that day, so it was good timing. That morning, I woke up nervous, but horny. Before I left for the tattoo parlor, I played with myself for a while, tweaking my clit and working myself up into a lather. Self-freaking always helps to ease my stress; and I guess I'm like a guy in that way. So, needless to say, I was semi-relaxed by the time I got to the tattoo shop.

I walked into the place, which was on the second floor of a downtown building. I walked in, looked around and saw no one. When I yelled out a guy came out of the small room. Woah! I thought he was hot and quite rugged looking. He was really tall, built well, wavy hair and a full

beard. He was dressed head to toe in leather. My knees buckled at the sight of him. Introducing himself as Maxwell, he asked if I knew what I wanted. I was about to tell him that I wanted his cock pounding away inside my pussy, but I refrained.

Actually, I had made up my mind before going in that I wanted a butterfly just above my butt. I wanted it right above my ass crack, so it looks like the butterfly was flying out of my ass hole. Yeah, I know it sounds sick, but that's my quirky sense of humor. I told Maxwell what I wanted and he led me to a small room.

There was a table in the middle of the room with tattoo equipment such as needles, ink, etc. When he said to lie on the table and get naked, at least down below, I was momentarily taken aback. Naturally I nodded to what I was told. He left the room saying he'd be back in a few minutes. I took off all my clothes and eased myself onto the table. As soon as I laid down, I thought of Maxwell's strong hands and thinking about the super-hunk that was about to work on me, I became overwhelmed with extreme desire.

My pussy began to get wet, and I couldn't stop my fingers from groping around my pubic area. In the middle of diddling myself, Maxwell

walked back into the room. I guess I should have been embarrassed, but I felt proud like I wanted him to see my body – admire it. He walked over to me and picked up the needle. "Is this where you want it done?" He sneered, then touched a spot above my ass cheeks.

I nodded and said, "Yeah, that's where I want you to put it."

I could tell he wasn't into playing games. The next thing I felt was a couple of rough manly fingers squeezing my clit. And I gasped in arousal. Seeing that I was into it, he then moved his fingers closer to my moist box. Maxwell pushed his callous digits inside my pussy and began finger-fucking me with his thick fingers. I relished in the intense feeling while my pussy leaked on them like a geyser!

Maxwell continue to finger-fuck me, invading his fingers inside my box in ways I never knew possible. When he took the index finger of his other hand and begin probing my ass hole with it, I thought I was going to jump into outer space. I tried anal sex before, but didn't like it too much, but when Maxwell pushed a finger inside my tight anus, I knew then and there what ecstasy felt like. With two fingers inside my pussy and one in my as, I was ready for liftoff.

He then unzipped his pants and pulled out a whopper that even Johnny Wadd himself would have been envious. In all my wild years of fucking, I've never seen a cock like that. It was massive, about ten inches of thick purple, veiny man-meat. I almost came at the mere sight of it. Pulling me by my legs, Maxwell maneuvered me to the edge of the table and when my butt cheeks came over the side, he entered my ass. Yes, that's exactly where I wanted it.

The feeling of that super-cock was amazing. As he fucked me, he was far from subtle holding my thighs apart and fucking me with hard jackhammer-like strokes. The depth of his strokes was almost too deep. Finally, when my orgasm hit, I thought I was going to pass out. Actually, I think I might have blacked out for a moment. Of course, a minute later he came too, in my ass, but I really wasn't coherent for that.

When we finally finished fucking, he got down to business and tattooed my ass. I was so lost in the moment that I never felt the sting. The butterfly tattoo is killer, just as I wanted. I have an appointment next week with Maxwell to get another tat. Let's just say I'm looking forward to his expert needlework once again.

My ex is in the Marines and I really regret breaking up with him. I thought if I sent him some sexy pictures, he'll consider getting back together. I'm sure he's missing my phat ass as much as I miss his wonderful cock. Maybe a few shots with a dildo will help. I know you'd take me back after seeing my pictures?

# THE UNCONVENTIONAL THERAPIST

Petite Alina West and her boyfriend Dane, like to fool around. A lot. But they've been having a small argument lately. They want to try anal sex, but she thinks it will hurt too much. He asks her to just give it a try.

Enter Nina Elle. She got a desperate call to cum and help the situation. Always ready to help young couples in need, she jumped in her convertible and was there in ten minutes. 'Cause she's *The UNconventional Therapist*!

*Dane, she's never done anal before! You're just not gonna ram your fat cock up her ass!! Ease into it slowly. Make her feel at ease, and use plenty of lube!*

*But Miss Elle, I wasn't gonna do anything bad, and surely not without her consent. I promise.*

*If you do, my fist will be right up YOUR ass in two seconds buddy!! You can count on it.*

*Ooooh, I like her. Feisty. But I really want my ass fucked. I hope she doesn't get in the way!*

*Are we understood young man? You don't want me riding your ass all afternoon. Trust me, you don't.*

*Time out, dude! No way your're you're going to go straight to anal. Better start in her pussy first!*

*Remember, I'll be here with you every stroke of the way. Now, you have to tell me when you are ready. Be sure you're warmed up and really want to do it. Now, concentrate.*

*I think my therapy is working. I've been at this for ten years and I've seen all sorts of things come in and out of an ass. Even done it myself a few times.*

*Nina, I need you over here. You said she'd like it in the butt? Look at these faces she's making?? I hope I didn't do something wrong.*

*You must really want my fist up your tight man-ass!  
You've got to glide your dick in slowly. Do it slowly!*

*That's it! Now you're getting the hang of it... Wait, dude... Not too deep so soon. Let her get used to it before you go deep!*

*He's actually doing very well now because she's starting to moan. He just has to remember to take it slow if he wants the relationship to work out with her.*

*Hey Alina, you just have to keep repeating to yourself,  
Pain is pleasure, pleasure is pain... Pain is pleasure...*

*Pleasure is pain, pleasure is pain... Ooops, I got that wrong... Pain is pleasure, pleasure is pain, Oh fuck!*

*Little do they know, I've done anal before. It's just that Dane's dick is way bigger than my ex's, and I didn't think I could handle it. But as you can see, "I'm fuckin the shit out of him." ;).*

*You've got this anal thing down pat girl. I know it took all afternoon, but you were a real trooper and stuck with it. Can you anal orgasm?*

*Now with all that bouncing, you're gonna make him cum, but I'm not saying stop!*
